Dear North Caldwell Resident,

As you may know, the North Caldwell Foundation for Education (NCFE) held a fundraising event, "Let's Paint the Town - An Evening of Art", on Saturday March 27th. The event brought together approximately 200 people and raised almost \$30,000. We extend a heartfelt thank you to all those who attended and enjoyed themselves for a worthy cause that night.

The NCFE is a 501(c)3 non-profit organization whose purpose is to build an endowment. The endowment will produce interest income which can be used to supplement the North Caldwell school district's budget. In light of the current political and economic climate we are currently in, the need for the NCFE is greater than ever.

We, the Board of the NCFE, are often asked "Why isn't the money the NCFE is raising being spent now? My children are in school now, and I want them to reap the benefits." All of us have children currently in our schools, and so far we have been able to avoid significant cuts to our school programs. The mission of the NCFE is to have the funds available to be used when we are facing a budgetary crisis which will force our children to lose programs that are currently in place. If you are interested in making a donation, you may send it to NCFE, PO Box 90, Caldwell NJ 07006-0090.

We thank you for your past support, and hope you will continue to work with us in the future to preserve the quality of education our children have today.

Sincerely,

The Board of Trustees  
North Caldwell Foundation for Education
