Dear Neighbor:

Past:

We hope this letter finds you enjoying 2008 so far. We ended 2007 in a very exciting way. Our first major fundraising event, A Night At the Museum, was held in October of 2007. We succeeded in raising nearly \$50,000, which has been invested and set aside for use by our school district. In addition, the NCFE received an incredibly generous donation from Microsoft of approximately \$127,000 in software to be used in Gould School.

Present:

Our momentum continued in January of 2008 when our Grant Program was launched. This allows teachers from Grandview and Gould to apply for funding for materials, programs, and other items to supplement our children's curriculum.

The local United Way has added us to their designated charities. If you donate to the United Way, you can select the NCFE as your designated charity and the donation will come back to North Caldwell! We are also able to receive corporate matching gifts. This has been a great source of donations to the Foundation. Check with your company and we'll be happy to help if you need us. As always, your tax-deductible contribution is always welcome and appreciated. Checks can be made payable to the NCFE and sent to 4 Hampton Court, North Caldwell.

Our newest fundraising project is an exciting one as well. Show your town spirit and ultimately support our district by purchasing North Caldwell apparel. A wide variety of items are available sized for adults, children, and toddlers. Enclosed is an order form with all of the details or you can download a copy at our brand new website www.ncboe.org/NCFE. You can also look for us on Saturday, April 12 at the NC Baseball Opening Day to place your order. We look forward to joining the ranks of our surrounding communities with wearing our town pride!

Future:

The Foundation is already beginning to plan our next major fundraising event, which you can look forward to in the fall of 2008. This event will honor various members of the North Caldwell community from all age groups and backgrounds. We hope to include something for everyone and join together to celebrate his or her accomplishments. If you would like to nominate a prospective honoree, please email janicekatz16@optonline.net.

We have been asked to create a town cookbook and cannot pass up on such a fantastic idea! Submit your recipes on the attached sheet or on our website at www.ncboe.org/NCFE and we'll keep you posted on the progress!

On behalf of the Foundation, thank you for your past, present and future support!
