October 16, 2019

Dear Parents/Guardians,

Throughout the school year the students celebrate a number of holidays and special events within the classroom setting. Many of our students have food allergies which could put their health and safety at risk should they eat a snack that contains an ingredient to which they are allergic. Therefore, we ask that all parents of children who have food allergies, food sensitivities and/or special diets please send in a snack that will be safe for your child to eat during class parties and celebrations. Thank you in advance for your adherence to this policy.

Sincerely,

Linda Freda, Ed.D
