Standard 2 Indicators		

3. Instructional Delivery

The teacher effectively engages students in learning by using a variety of instructional strategies in order to meet individual learning needs.

Engages and maintains students in active learning.

Instructional Delivery Evidence:
Standard 3 Indicators
4. Assessment Of and For Learning
The teacher systematically gathers, analyzes, and uses all relevant data to measure student academic progress, guide instructional content and delivery nethods, and provide timely feedback to both students and parents throughout the school year.
Uses pre-assessment data to develop expectations for students, to differentiate instruction, and to document learning. Involves students in setting learning goals and monitoring their own progress. Uses a variety of assessment strategies and instruments that are valid and appropriate for the content and for the student population. Aligns student assessment with established curriculum standards and benchmarks. Uses assessment tools for both formative and summative purposes and uses grading practices that report final mastery in relationship to content goals and objectives. Uses assessment tools for both formative and summative purposes to inform, guide, and adjust students' learning. Gives constructive and frequent feedback to students on their learning.
Assessment Of and For Learning Evidence:
Standard 4 Indicators
5. Learning Environment
The teacher uses resources, routines, and procedures to provide a respectful, positive, safe, student-centered environment that is conducive to learning.
Arranges the classroom to maximize learning while providing a safe environment. Establishes clear expectations, with student input, for classroom rules and procedures early in the school year, and enforces them consistently and fairly. Maximizes instructional time and minimizes disruptions. Establishes a climate of trust and teamwork by being fair, caring, respectful, and enthusiastic. Promotes cultural sensitivity. Respects students' diversity, including language, culture, race, gender, and special needs. Actively listens and pays attention to students' needs and responses. Maximizes instructional learning time by working with students individually as well as in small groups or whole groups.
earning Environment Evidence:
Standard 5 Indicators
5. Professionalism
The teacher maintains a commitment to professional ethics, communicates effectively, and takes responsibility for and participates in professional growth that results in enhanced student learning.

Builds upon students' existing knowledge and skills. Differentiates instruction to meet the students' needs.

Reinforces learning goals consistently throughout lessons.
Uses a variety of effective instructional strategies and resources.
Uses instructional technology to enhance student learning.
Communicates clearly and checks for understanding.

- Collaborates and communicates effectively within the school community to promote students' well-being and success. Adheres to federal and state laws, school policies, and ethical guidelines. Incorporates learning from professional growth opportunities into instructional practice. Sets goals for improvement of knowledge and skills.

Date:

- Engages in activities outside the classroom intended for school and student enhancement.
- Works in a collegial and collaborative manner with administrators, other school personnel, and the community.

 Builds positive and professional relationships with parents/guardians through frequent and effective communication concerning students' progress.
- Serves as a contributing member of the school's professional learning community through collaboration with teaching colleagues.
- Demonstrates consistent mastery of standard oral and written English in all communication.

Professionalism Evidence:		
Standard 6 Indicators		
7. Student Academic Progress		
The work of the teacher results in acceptable, measurable, and appropriate student academic progress.		
Sets acceptable, measurable, and appropriate achievement goals for student learning progress based on baseline data.		
 Documents the progress of each student throughout the year. Provides evidence that achievement goals have been met, including the state-provided growth measure when available as well as other measures of student 		
 growth. Uses available performance outcome data to continually document and communicate student progress and develop interim learning targets. 		
Student Academic Progress Evidence:		
Standard 7 Indicators
